Welcome to Azure CLI!
---------------------
Use `az -h` to see available commands or go to https://aka.ms/cli.

Telemetry
---------
The Azure CLI collects usage data in order to improve your experience.
The data is anonymous and does not include commandline argument values.
The data is collected by Microsoft.

You can change your telemetry settings with `az configure`.

     /\
    /  \    _____   _ _ ___ _
   / /\ \  |_  / | | | \'__/ _\
  / ____ \  / /| |_| | | |  __/
 /_/    \_\/___|\__,_|_|  \___|

Welcome to the cool new Azure CLI!

Use `az --version` to display the current version.
Here are the base commands:

Group
    az

Subgroups:
    account                 : Manage Azure subscription information.
    acr                     : Manage private registries with Azure Container Registries.
    ad                      : Manage Microsoft Entra ID (formerly known as Azure Active Directory,
                              Azure AD, AAD) entities needed for Azure role-based access control
                              (Azure RBAC) through Microsoft Graph API.
    advisor                 : Manage Azure Advisor.
    afd                     : Manage Azure Front Door Standard/Premium.
    aks                     : Azure Kubernetes Service.
    ams                     : Manage Azure Media Services resources.
```

```
Command Prompt

C:\Users\anjal>az login
Select the account you want to log in with. For more information on login with Azure CLI, see https://go.microsoft.com/fwlink/?linkid=2271136

Retrieving tenants and subscriptions for the selection...

[Tenant and subscription selection]

No     Subscription name    Subscription ID                       Tenant
-----  -------------------  ------------------------------------  -----------------
[1] *  Azure for Students   a487671d-dd84-4cbd-abde-9e1fe88233c3  Default Directory

The default is marked with an *; the default tenant is 'Default Directory' and subscription is 'Azure for Students' (a487671d-dd84-4cbd-abde-9e1fe88233c3).

Select a subscription and tenant (Type a number or Enter for no changes):

Tenant: Default Directory
Subscription: Azure for Students (a487671d-dd84-4cbd-abde-9e1fe88233c3)

[Announcements]
With the new Azure CLI login experience, you can select the subscription you want to use more easily. Learn more about it and its configuration at https://go.microsoft.com/fwlink/?linkid=2271236

If you encounter any problem, please open an issue at https://aka.ms/azclibug

[Warning] The login output has been updated. Please be aware that it no longer displays the full list of available subscriptions by default.
